

**Steubenville** fondly remembers celebrity Dean Martin, known for his smash-hit singing, weekly TV shows, prolific movies, and popular stage appearances. Dino Crocetti was born in Steubenville on June 7, 1917, and spent his boyhood growing up in Steubenville until he left at age seventeen to pursue his dreams in the world of entertainment.

**Dino Crocetti** was the son of Italian immigrants. His father was a barber, and he had one older brother, Bill. Dino spoke only Italian until he started school. He attended Grant Elementary School, and dropped out of Steubenville High School in the tenth grade and began working in one of the local steel mills. He fought as a boxer under the name Kid Crochet and worked a variety of jobs in local clubs.

**Dino** started his entertainment career singing. At age seventeen he expanded his singing gigs to Ohio night clubs outside of his hometown and eventually met success singing in the clubs in New York City. In 1940, he changed his name to Dean Martin.
